

PRODUCTION MANAGER

DESCRIPTION

We have an exciting opportunity for an attentive individual to take up a position within our Production team. We are an award-winning hand knitting yarn company who provides a friendly and welcoming working environment.

DETAIL

Job title: Production Manager

Location: West Yorkshire Spinners, Keighley

Hours: 39 hours per week, Monday – Friday

Salary: Competitive Salary

Supporting our Production team and Operatives to deliver quality yarn with our state-of-the-art machinery and facilities. The principle duties of this role will include:

- Working directly under the Production Director and alongside the Overlookers to maximise and monitor the service, cost and quality performance of the production operations
 - Planning and organising production schedules
 - Assessing project and resource requirements
 - Estimating and negotiating timescales with Sales and Managers
 - Determining quality control standards
 - Overseeing production processes
 - Re-negotiating timescales or schedules when necessary
 - Selecting and ordering of materials
 - Organising the repair and routine maintenance of production equipment
 - Liaising with Marketing and Sales staff
 - Supervising the work of junior staff
 - Lead, develop and motivate the company's production team
 - Any other duties as and when reasonably requested by the management team
- Please note, full training will be provided to the right candidate.

To be considered for this position, applicants will ideally have experience in:

- Production, manufacturing and wool/worsted spinning experience in a fast-moving, shift-based environment is desirable
- Good delegation skills are essential
- Have an excellent attention to detail
- Willing and enthusiastic to learn the production operation from start to finish
- Good communication and management skills
- Have the right to work in the UK
- Be able to easily commute to the factory in Keighley
- Be reliable and trustworthy
- Be flexible
- Computer literate
- Work as part of a team
